

## Terms and Conditions

The quantity of Greenhouse Friendly™ approved abatement, expressed at tonnes of carbon dioxide equivalents (TCO<sub>2</sub>-e), appearing on this certificate has been approved by the Department of Climate Change's Greenhouse Friendly™ programme.

This Certificate is non-transferable and non-negotiable and is issued in the name of the person or entity appearing on this certificate.

The quantity of Greenhouse Friendly™ approved abatement on this certificate is valid for (1) one year from date of issue.

Each Greenhouse Friendly™ approved abatement is equivalent to 1 tonne of carbon dioxide (1x TCO<sub>2</sub>-e).

Each Greenhouse Friendly™ approved abatement has been given a unique serial number by the Australian Department of Climate Change.

Within 20 days of issue the SMRC will report the acquittal and retirement of each Greenhouse Friendly™ approved abatement represented by the serial numbers on this certificate to the Australian Department of Climate Change.

In issuing this certificate the SMRC make no warranties or representations regarding claims of carbon neutrality by the holder.

Details of the SMRC's Greenhouse Friendly™ project and programme details can be found by [visiting the Climate Change website](#).
